NOTES TO AND FORMING PART OF THE ACCOUNTS
FOR THE YEAR ENDED 31 DECEMBER 2020

NOTE 1 - STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial report is a general purpose financial report that has been prepared in accordance with the Corporations Act 2001 and Australian Accounting Standards – Reduced Disclosure Regime, and comply with other requirements of the law.

The financial report is for Junee Ex-Services Memorial Club Limited as an individual entity, incorporated and domiciled in Australia. Junee Ex-Services Memorial Club Limited is a company limited by guarantee.

Reporting Basis and Conventions

The financial report has been prepared on an accruals basis and is based on historical costs. It does not take into account changing money values or, except where stated, current valuations of non current assets. Cost is based on the fair values of the consideration given in exchange for assets.

The following is a summary of the material accounting policies adopted by the economic entity in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

Accounting Policies

(a) Revenue

The Company applies AASB 15 for recognising revenue. Revenue is recorded as the amount of the transaction price that is allocated to the performance obligation, excluding any amounts of variable consideration, when the performance obligation has been satisfied. All revenue is stated net of the amount of goods and services tax (GST). The Company has the following specific policies for when the performance obligations have been met:

Revenue from the sale of goods is recognised upon the delivery of goods to customers.

Poker machine revenue is recognised when received and is stated net of any gaming machine tax.

Revenue for membership subscriptions is recognised in the period to which the benefits of the membership is provided.

(b) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost less, where applicable, accumulated depreciation and impairment losses.

The depreciable amount of all fixed assets including building, but excluding freehold land, is depreciated on a straight-line basis over their useful lives to the economic entity commencing from the time the asset is held ready for use.

Class of fixed assets

Freehold Buildings and improvements	2.5-10%
Plant, furniture and equipment	15-40%
Poker Machines	15%

(c) Inventories

Inventories are measured at the lower of cost and current replacement cost. Inventories acquired at no cost, or for nominal consideration are valued at the current replacement cost as at the date of acquisition. At year end goods for resale of \$42,138 were held.

d) Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less and bank overdrafts are shown as a financial liability in the Statement of Financial Position.

JUNEE EX-SERVICES MEMORIAL CLUB LIMITED
NOTES TO AND FORMING PART OF THE ACCOUNTS
FOR THE YEAR ENDED 31 DECEMBER 2020

(e) Employee Benefits

Provision is made for the entity's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits expected to be settled within one year together with benefits arising from wages, salaries and annual leave which may be settled after one year, have been measured at the amounts expected to be paid when the liability is settled plus related on costs. Other employee benefits payable later than one year have been measured at the net present value.

Contributions are made by the entity to an employee superannuation fund and are charged as expenses when incurred.

(f) Financial instruments recognition

Financial instruments are initially measured at cost on trade date, which includes transaction costs, when the related contractual rights or obligations exist. Subsequent to initial recognition these instruments are measured as set out below.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are stated at amortised cost using the effective interest rate method.

Financial liabilities

Non-derivative financial liabilities are recognised at amortised cost, comprising original debt less principal payments and amortisation.

Impairment

At each reporting date, the entity assesses whether there is objective evidence that a financial instrument has been impaired. In the case of available-for-sale financial instruments, a prolonged decline in the value of the instrument is considered to determine whether an impairment has arisen. Impairment losses are recognised in the Statement of Comprehensive Income.

(g) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of expense. Receivables and payables in the Statement of Financial Position are shown inclusive of GST.

(h) Amendments to Australian Accounting Standards

The directors have considered the application of AASB108 "Accounting Policies, Changes in Accounting Estimates and Errors" and are of the opinion that the standard does not result in a material impact on the entity's financial report.

(i) Income Tax

The mutuality principle has been applied to the calculation of the company's income tax. The club has estimated that the assessable proportion of mutual income represented by results of trading attributable to non members of the club is to be 16%.

In preparing the financial report, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: <http://www.auasb.gov.au/Home.aspx>. This description forms part of our auditor's report.
